Legends, and Curses:

1 of 1 review helpful Lots of Theories and a Few Facts By Angel Exrockchick I like the detail given in the book and the photos of many of the bands and artists There were a few factual errors but over all a good theme and many of these legends and stories of the curses who knows May well be true I just dont think it is a smart idea to fall into believing that all Occultism is evil or devil worship There are many a Take a Walk on the Dark Side is the ultimate book for today s rock and roll fan a fascinating compendium of facts fictions prophecies premonitions coincidences hoaxes doomsday scenarios and other urban legends about some of the world s most beloved and mysterious pop icons Updating revising and expanding on material from his cult classic Hellhounds on Their Trail Patterson offers up a delectable feast of strange and occasionally frightening From Publishers Weekly This enjoyably lurid slice of rock history extensively updates and expands the author s earlier Hellhounds on Their Trail Tales from the Rock N Roll Graveyard His book focuses on the bizarre and unexplainable anything smacking
