available new and used meyers fourth and final book in the Young Man with a Horn (New York Review Books Classics):

3 of 3 review helpful Dorothy Baker manages to do with words what her fictional By Nina Handler Dorothy Baker manages to do with words what her fictional character Rick Martin does with a trumpet The very writing itself is evocative of jazz The plot is minimal and there are no surprises the Prologue lays it all out beforehand But this book makes you feel the way musicians must feel about the music they play and Rick Martin loved music and the music loved him He could pick up a tune so quickly that it didn rsquo t matter to the Cotton Club boss that he was underage or to the guys in the band that he was just a white kid He started out in the slums of LA with nothing and he ended up on top of the game in the speakeasies and nightclubs of New York But while talent and drive are all you need to make it in music they aren rsquo t enough to make it through a life nbsp ldquo Young Man with a Horn is a great book beautifully conceived and masterfully written There is little else that can be said in praise of any book rdquo ndash New York Amsterdam News nbsp ldquo The Young Man with a Horn
