0 of 0 review helpful A great book to have By Gregory L Firth Needed a replacement for my thrift shop copy Half way through the book I find it challenging which is how you learn Starts easy enough but mid way you got some work to do While the Bastien books are great and the Alfred series too beginners need variety with quality I am pleased and

happy to have the first two books in this series 0 of The Michael Aaron Piano Course Lesson books have been completely re engraved expanded adding more definitions of musical terms and more musical pieces updated with modernized artwork and re edited with less emphasis on fingerings and more on note reading
