26 of 28 review helpful A Must Have By Choda The author has done a fantastic job of organizing this book He starts simple diatonic exercises in chapter one and moves on to pentatonic and arpeggio studies in chapters two and three The last arpeggio patterns are cool sounding diminished and augmented arpeggios In chapters four and five Barry introduces whole tone and diminished patterns There is a wealth of great ideas h All musicians need to thoroughly learn their scales chords intervals and various melodic patterns in order to become complete musicians The question

has always been how to approach this universal task Guitar legend Barry Finnerty Miles The Crusaders Brecker Bros etc provides in this book a rigorous practice regime that will set you well on the road to complete mastery of whatever instrument you play Endorsed by Randy Brecker Mark Levine Dave Liebman etc
