15 of 15 review helpful Very easy maybe too easy but still worth buying By Tracy Ogrodnik I was about 1 3 of the way through Alfred s Basic Adult Piano Course Level One book when I purchased this book to have some Christmas songs I could play for this current season I was somewhat disappointed in the book because I found a lot of the songs to be too easy using the Middle C position and only one note at a time I admit I Popular Christmas carols are arranged in graded order with optional duet parts to provide pleasure and satisfaction during the Christmas season for students using Alfred s Basic Adult Piano Course
