2 of 2 review helpful One of the Better Titles in the Series By Andrew Rooney First off 33 1 3 books are really hit and miss This is a shame because the concept of the series is brilliant Some are terrific some are terrible but most are pretty

good This title falls into the pretty good category but tiliting towards terrific Himes is a terrific music journalist whose writng has appeared in a variety of publi When Bruce Springsteen went back on the road in 1984 he opened every show by shouting out ldquo one two one two three four rdquo followed by the droning synth chords of ldquo Born in the U S A rdquo Max Weinberg hit his drums with a two fisted physicality that cut through the swelling chords With a rolled up red kerchief around his head and heavy black boots under his faded jeans Springsteen looked like the character of the song and from the very first li Himes does an excellent job with Born in the U S A Shedding a lot of light on the artist sself doubt and concerns during the album s creation Himes has dug up evidenceof Springsteen s mindset at the time a
