2 of 2 review helpful Doesn t Do Justice to Eva By TigerLily I m half way through the book and so far I ve read very little new information about the iconic Cassidy The author goes into too much mundane detail without truly telling HER story And if you re going to drop names get THEIR stories right when mentioning Linda Ronstadt s fashion sense he attributes it to her Ronstadt s Southern upbringing Oh my hea Eva Cassidy rsquo s story is one of the most compelling and poignant in recent music history In this thoughtful and probing biography Johan Bakker explores her brief performing career and the fame that only came after her death at the age of 33 A local performer Eva Cassidy rsquo s performance in Iceland was the closest she ever got to Europe Yet her music has touched millions across the world Her posthumously released albums Imagine Songbird Simpl About the Author Johan Bakker is a music and arts freelance journalist He has also published plays short stories and song lyrics He lives in Rotterdam
