1 of 1 review helpful Interesting but a little cluncky By Soosles It was wonderful to hear the story behind the songs

and reminded me of just how good they were There was something a bit clunky about the writing style and I have to say some doubts about conversational details that just seemed well too detailed to be recalled or reported It left me wanting an epilogue of what finally happened with all the contracts etc Jim Croce singer songwriter of the 1 hits Bad Bad Leroy Brown and Time in a Bottle was at the height of his career when his life was cut short in a plane crash while on tour Just 30 years old on September 20 1973 Jim was revered by an adoring audience for his gentle melodies and everyman demeanor Now for the first time this memoir reveals the man behind the denim jackets and signature mustache a hard working wry charmer who was also beset Portland Book 7 9 12
