Composers):

0 of 1 review helpful Excellent By Jack Langdon I was very pleased by the condition of this terrific book on Japan s most prominent composer of contemporary classical music 15 of 17 review helpful Deeply profound almost haiku like in brevity gentleness By scarecrow But I think of time as circular and continuity as a constant changing state So said Toru Takemitsu in In these writings available here in English for the first time the distinguished Japanese composer Toru Takemitsu reflects on his contemporaries including John Cage Olivier Messiaen and Merce Cunningham on nature which has profoundly influenced his composition on film and painting on relationships between East and West on traditional Japanese music and on his own compositions This fine book is an excellent introduction to the original and provacative thinking of one of today s most important composers The translation preserves the color and elegance of his prose American Music Teacher Lan
