2 of 2 review helpful The one day that changed music history By A B For all you Beatle fans this is a good one Centers around one single day which changed the course of music history A must read Cool insight into the day the Beatles began 5 of 7 review helpful A must have for any Beatles fan By Nancy J Mumford I bought this book thinking

it might be a good additio With many new photos and an updated introduction The Day John Met Paul a critically acclaimed Beatles book reappears in a visually stunning second edition The book is an hour by hour account of the fateful day the two founding Beatles met in July 1957 But it is much more than that it s a spellbinding story of how fate brought together two men who would radically change the face of popular music from its look and feel to its sound Jim O Donnell a vete fine lyrical book Liverpool Daily Post an absurd and thoroughly speculative minute by minute account of the day in 1957 when Lennon first encountered McCartney at a church fete John Har
