10 of 11 review helpful ONLY FOR THOSE WHO WANT ILLUMINATING KENTON ANECDOTES By W BUTLER I can t help wondering if any of the 5 star reviewers really like Stan Kenton s music If they do what then is to be gained by reading endless mean spirited Kenton gossip when surely the main purpose of any biography about a musician is to increase one s pleasure in listening to their music In this instance extremely easy beca Stan Kenton 1911 ndash 1979 formed his first full orchestra in 1940 and soon drew record breaking crowds to hear and dance to his exciting sound He continued to tour and record unrelentingly for the next four decades Stan Kenton This Is an Orchestra sums up the mesmerizing bandleader at the height of his powers arms waving energetically his face a study of concentration as he cajoled coaxed strained and obtained the last ounce of energy from every musician und ldquo A delightful read start to finish The inclusion of so much primary source material makes this the most authoritative account of Kenton rsquo s story to date He lsquo gets rsquo the man and the music and tells it like it was rdquo mdash T
