0 of 0 review helpful Interesting reading especially if you re already a Wagner fan By Timoteo Interesting reading especially if you re already a Wagner fan Somewhat academic at times but usually not excessively so I do not regret

this purchase 3 of 5 review helpful Scholastic reviews of Wagner By Quantrill This book is really only for scholars of Richard Wagne Richard Wagner is remembered as one of the most influential figures in music and theatre but his place in history has been marked by a considerable amount of controversy His attitudes towards the Jews and the appropriation of his operas by the Nazis for example have helped to construct a historical persona that sits uncomfortably with modern sensibilities Yet Wagner s absolutely central position in the operatic canon continues This volume serves as a timely reminde This volume provides a balanced introduction to the composer s life times works and reception A useful chronology The repolitiizing of the Wagner question is unquestionably one of this book s strengths and certain to make it compelling to a wide varie
