By David Pearl : Piano Exercises For Dummies the ideal hands on reference for piano students who want to strengthen their skills and refine their technique and the perfect companion and next step to the bestselling nov 17 2008nbsp;piano exercises for dummies has 18 ratings and 2 reviews chris said im actually still reading parts of it and learning new things from it i guess it Piano Exercises For Dummies:

2 of 2 review helpful an excellent book of exercises By Amaruk I m thrilled with the variety of exercises and pleased that it came with a CD as I m self taught There is only one thing that I think should have been done better the exercises are printed too small for comfort Two exercises on one page means the print is not as clear as it should be One exercise per page would have been a lot better and no I don t need The ideal hands on reference for piano students who

want to strengthen their skills and refine their technique and the perfect companion and next step to the bestselling Piano For Dummies Note CD ROM DVD and other supplementary materials are not included as part of eBook file From the Back Cover The fun and easy way to tune up your technique and improve your playing Is the piano your passion This easy to read guide is bursting with fun exercises designed to hone your piano playing technique from warm ups and major and mino
