8 of 8 review helpful Stunning interviews with the unsung ladies of the era By R McWilliams Having been involved in

the disco scene from the beginning with 25 years as a club DJ in Chicago Miami and Key West I had the pleasure of working with many of these great ladies This book pulls together over 30 of the fabulous queens of the disco The interviews are all extremely interesting and beautifully interpreted by J The female vocalists who pioneered the disco genre in the 70s and early 80s were an extraordinarily talented group of women who dazzled the world with an exciting blend of elegance soulful passion and gutsy fire In this book of original interviews 32 of these singers tell their stories explaining how they view their music careers connection to gay audiences and their places in dance music history Interviewed artists include The Andrea True Connection More Diva lovers and disco fans will dig James Arena s new book Advocate com This book is a fantastic tribute to the women who made the world dance some thirty years ago and still have on their boogie shoes ready for an encore And hopefully Are
