B Klein I was looking for Jewish music that is fun and easy to play My piano teacher recomended this book One thing that I like about the music was that though easy play the songs do not sound like elementary piano music I enjoyed the David and Renee Karp have provided a late elementary intermediate collection that features the best known Hebrew songs Titles are grouped by category Chanukah Passover Purim Folk Liturgical with easy to read explanations of each This is a practical functional book for those who know the songs and a valuable resource for others who want to become familiar with songs of the Jewish heritage Lyrics and guitar chord symbols are included
