0 of 0 review helpful Tough but it is all there By Thomas Curry Learning to play an instrument from a book is in my opinion a great way to waste a lot of time and effort I bought this on the chance that it would provide the correct

information that I could use to ground myself in the basics before going to the trouble and expense of an actual teacher If fills that purpose admirably The work starts off as basic as poss Musicians Institute Press This book with audio gives essential instruction on open chords barre chords power chords strumming scales rhythm playing the blues and moveable chord shapes It includes inversions color chords practice tips chord charts songs and progressions
