6 of 6 review helpful Doesn t fold open easily By Tinfoot I had initially bought the Mel Bay Original Banjo Case

Chord Book but after a couple months I was getting a little frustrated as I found myself needing to see the fingering of chords not presented especially ones up the neck Now I wish I had bought this first as it is quite small and as portable as the Banjo Case Chord Book more so as it is not as tall thus Fretted The Banjo Chord Finder is an extensive reference guide to over 2 800 banjo chords covering four of the most commonly used tunings Thirty different chord qualities are covered for each key and each chord quality is presented in two different voicings Also includes a lesson on chord construction and a fingerboard chart of the banjo neck About the Author Founded in 1947 Hal Leonard Corporation has become the worlds largest print music publisher representing some of the greatest songwriters and artists of all time We are proud to publish titles of interest to all musicians as well as music lov
