By Michael Taft : The Blues Lyric Formula writing blues lyrics handout 1 choose a topic that reflects the mood of the blues 2 follow the formula below for the four lines of each verse of a blues song tickets for concerts sports theatre and more online at ticketsinventory The Blues Lyric Formula:

0 of 0 review helpful Not what I d thought in the very best way By J Birkinshaw At first I was very put off by the term formula which negatively suggested a paint by numbers approach employed by a disinterested hack After reading however I came to understand it as a compositional tool found in oral traditions especially epic bardic poetry I have to say this will probably be part of a short stack of books I keep cl This book is the first rigourous and detailed exploration of exactly how blues singers used formulas to create songs and it more than amply fills the gap in the the

study of the blues where the structure and content of the lyrics have been less fully explored than the musical form Focusing on the songs recorded by African American singers for pre World War Two commercial recording companies this is an excellent structural analysis of the formulaic comp About the Author Michael Taft is head of the Archive Folk Culture at the American Folklife Center Library of Congress He is the author of Talkin to Myself Blues Lyrics 1921 1940 Routledge 2005
