By Richard L. Crocker : A History of Musical Style (Dover Books on Music) history of latin music the history of the moorish empire prior to spain extends from the ancient moabites and extends across the great atlantic into north south and a musical instrument is an instrument created or adapted to make musical sounds in principle any object that produces sound can be considered a musical instrument A History of Musical Style (Dover Books on Music):

0 of 0 review helpful Wonderful book By Connoisseur This is not a superficial survey but a rather detailed in depth study of even the seemingly unimportant landmarks in music history If you are a music student or a music lover you

will learn A TON from this book The only con is the smaller print looks like a reprint edition but it is clear and in fact makes the book less bulky 19 of 19 review helpful Style mdash the distinctive manner of presentation construction and execution in any art mdash is a topic of primary importance in music history This highly regarded text by noted musicologist Richard Crocker University of California Berkeley takes a much needed fresh look at the subject and attempts to reshape some basic ideas in the light of modern research Seeking the reasons for stylistic change within the history of style itself rather than in the his About the Author A noted musicologist from the University of Berkeley Richard L Crocker was the author of nearly a dozen books on music history and musicology
