4 of 4 review helpful Nice intermediate level book By CStubing Pretty good arrangements for piano and most songs have guitar chords as well I was tired of playing christmas carols every year from the old books we ve had for decades that were falling apart right between my fingers every time I flipped a page I guess I m an intermediate piano player I m no virtuoso by any means but I can sight read pretty well s A glorious volume that contains a massive selection of melodies Carols hymns and songs that celebrate and reinforce the Joy Of Christmas There are seventy five pieces in

all including Silent Night The Holly And the Ivy In Dulci Jubilo Jingle Bells We Wish You A Merry Christmas and many more All the songs are arranged for piano and vocal with guitar chord symbols Obviously this pieces are ideal for Christmas and will enhance any seasonal concert program
