By Greil Marcus : Lipstick Traces port manteaux churns out silly new words when you feed it an idea or two enter a word or two above and youll get back a bunch of portmanteaux created by jamming star wars itself is a very classic type of story about family love war good vs evil so it basically fits in any period but in specific the large armies Lipstick Traces:

0 of 0 review helpful Not an easy read Text bookish By Mary Mary Mary Reads like some of the boring text box I had

in college There is some interesting information but it s pretty dry 7 of 10 review helpful Embrace complexity Secrets from a more intelligent era By Slothrop Without even commenting on the actual content the style of this book is the complete opposite This is a secret history of modern times told by way of what conventional history tries to exclude Lipstick Traces tells a story as disruptive and compelling as the century itself A coruscatingly original piece of work vibrant with the energy of the bizarre happenings it maps out Terry Eagleton New York Times Book That Marcus can kick off and end his exhaustive but always clear headed cross epochal trek with th
