1 of 1 review helpful Insightful and Astute By j michael rowland John Perry nails it with observations that are insightful and astute He writes about the realities of making and recording music in the 60s and the way the methodology and technology of the time affected the creative process And he points out the ways Hendrix

successfully ignored conventional wisdom to produce his magmum opus Electric Ladyland 0 of 0 r Electric Ladyland is one of the greatest guitar albums ever made During the recording process Jimi Hendrix at last had time and creative freedom to pursue the sounds he was looking for In this remarkable and entertaining book John Perry gets to the heart of Hendrix s unique talent guiding the reader through each song on the album writing vividly about Hendrix s live performances and talking to several of Hendrix s peers and contemporaries From Booklist A new entry in a series about famous LPs Perry calls Electric Ladyland the record in which Hendrix reached his full artistic maturity It was also the last album he made with manager Chas C
