1 of 1 review helpful It s Okay By HuntleyMC This book was alright I felt like it was a little disjointed in how it covered the album I was hoping it would be a chapter covering each song on the album but it was not written that way at all Gaar discusses the creation of some of the songs and than the recording of the songs She interviews the

producers record executives members of Nirvana and gathers quotes by Kurt Cob Though Nevermind was Nirvana s most commercially successful album and the record that broke them and the grunge phenomenon internationally In Utero has increasingly become regarded as the band s best album both by the critics and the band members themselves Instead of sticking to the grunge pop formula that made Nevermind so palatable to the mainstream Nirvana chose instead to challenge their audience producing an album that the band s creative force Kurt Co About the Author Gillian G Gaar is the author of She s a Rebel The History of Women in Rock n Roll and Green Day Rebels With a Cause She served as project consultant on the Nirvana box set With the Lights Out She lives in Seattle
