8 of 8 review helpful Almost exact from performance no accompaniment available By Nellie B Bought this for my son who has been playing violin for 10 years Big Lindsey Stirling fan He s working through it and will play it for recital It is a very challenging piece although he s got it down now It is very very very similar to her live performance which is good as it helps you work through some of the trickier rh Violin Play Along The Violin Play Along series will help you play your favorite songs quickly and easily Just follow the music listen to the demonstration tracks to hear how the violin should sound and then play along using the separate backing tracks Songs in this volume include All of Me Don t You Worry Child Fix You Good Feeling My Immortal Pokemon Theme Radioactive Star Wars Medley
