3 of 4 review helpful While there is nothing technically wrong with this book By Jazz Player While there is nothing technically wrong with this book do we really need multiple pages of power chords when the book doesn t even include minor seven or minor seven flat five I actually think that there was a printing error because some sections were repeated 1 of 2 review helpful Complete Guitar Educational Mastering the guitar neck has always been a challenge even for very experienced players The diagrams in Guitar Fretboard Atlas will help you quickly memorize scales and

chords that may have previously seemed impossible to grasp You ll be able to easily see and understand how scale and chord shapes are laid out and how they connect and overlap across the neck This is a collection of roadmaps for the most important scales and chords The materia
