By Donald Garwood : Masters of Instrumental Blues Guitar blues is a genre and musical form originated by african americans in the deep south of the united states around the end of the 19th century the genre developed from stony plain records canadas roots rock country folk and blues label Masters of Instrumental Blues Guitar:

0 of 0 review helpful Great introduction to country blues playing By euterpenc Great introduction to country blues playing Starts with the basics of thumb and index finger playing with simple rhythms and adds fingers and complexities as the book progresses The songs included are stripped down versions of the originals but provide enough of a skeleton for a dedicated student to learn the originals by ear after getting th From the preface In order to study American folk guitar styles in depth one is forced to turn to the country blues because nowhere else do recorded

sources of instrumental folk guitar abound so profusely It is in the blues that Negro musicians have explored and developed the finger style instrumental approach Some of the exceptional blues masterpieces are assembled in this book along with the instruction necessary to play them
