3 of 3 review helpful More songs than instruction By John S This book isn t exactly what I wanted but it s still got some good points There is decent amount of discussion of bluegrass There is a page with some common chords and then a few G runs After that it s essentially a songbook There is some discussion of each song but nothing in depth I m not sure if this was just my version or what but sometimes it s Learn from transcriptions in the styles of Clarence

White Dan Crary Charlie Waller Peter Rowan and others Over 30 tunes in tablature and music notation plus photos
