49 of 53 review helpful Riddled with flaws By S Woodward This biography is riddled with flaws The author conveys

almost no sense of the genius of Michael Jackson despite the book s subtitle and virtually nothing of his personality The author interviewed over 400 minor players in Jackson s life and none of the major players The result is accounts of petty rivalries between studio technicians gripes from record comp The definitive biography of Michael Jackson a ldquo vivid hellip gripping authoritative account of a world changing force of nature rdquo Rolling Stone celebrating the King of Pop rsquo s legendary contributions to music dance and popular culture From the moment in 1965 when he first stepped on stage mdash at age seven mdash in Gary Indiana Michael Jackson was destined to become the undisputed King of Pop In a career spanning four decades Jac Unknown ldquo Veteran journalist Steve Knopper balances the musical and the personal packing the 400 pages of The Genius of Michael Jackson with fascinating anecdotes covering every stage of the singer rsquo s career in vivid detail hellip The section on Jac
