By Mark Harrison : Jazz-Rock Piano Chops: Firing Up Your Technique like their name the steel woods are a hybrid musical force part hard edged part americana roots country folk man made yet organic rock but also bluegrass randb study co author kevin smith applying the melted bitumen to the bottle with the air testing equipment next to him image nicholas radtkey thousands of years ago Jazz-Rock Piano Chops: Firing Up Your Technique:

4 of 4 review helpful This is a great book to practice with By Kirk Alexander This is a great book to practice with It will definitely build chops Harrison has a good understanding of the way rhythm works in pop i e non classical music The examples are mostly two and four bar grooves which use interesting harmonic progressions that are as instructive as the rhythms The etudes at the end which allow you to stretch Keyboard Instruction Get a complete jazz rock piano

workout as you develop your rhythmic feel dexterity hand coordination and voicing skills as you work through the fun authentic examples in this book The pieces will help you use your jazz rock piano technique in a musical stylistically effective way Each music sample is recorded at several tempos so you can choose the one that s right for you as you play alonh with the jazz rock rhythm section
