3 of 3 review helpful This book is not only ridiculously great it is an Important By J LeMay This book is not only

ridiculously great it is an Important Essential Book for a number of reasons too lengthy to get into in the space of an review Incomparable and peerless although she is a champion of all of her peers as well as a longtime mentor for scores of writers Hopper not only gets to the heart of the matter in Jessica Hopper s music criticism has earned her a reputation as a firebrand a keen observer and fearless critic not just of music but the culture around it With this volume spanning from her punk fanzine roots to her landmark piece on R Kelly s past The First Collection leaves no doubt why The New York Times has called Hopper s work influential Not merely a selection of two decades of Hopper s most engaging thoughtful and humorous writing thi In this crucial book Hopper schools us all in the art of criticism You will be reminded as I was why you care to read and write about and listen to music to begin with Hopper s relationship with music is a joy to behold Tavi Gevinson Editor
