3 of 3 review helpful A Loving and Detailed Bio of a Jazz Giant By Frank I have not finished the book yet but am enjoying and savoring it Well written and researched from what I can tell Freddie Green is certainly one of the most iconic jazz figures in history and one of my favorite guitarists of all time I am also a big fan over the years of the Basie band and saw them at Westbury New York when the Count and Freddie wer In Rhythm Is My Beat Jazz Guitar Great Freddie Green and the Count Basie Sound Alfred Green tells the story of his father rhythm guitarist Freddie Green whose guitar work served as the pulse of the Count Basie Band A quiet but key figure in big band jazz Freddie Green took a distinct pride in his role as Basie rsquo s rhythm guitarist redefining the outer limits of acoustic rhythm guitar and morphing The book also includes some great stories a successful feat by author son to personalize and demystify his musician father nbsp
