Schaum Adult Piano Course):

8 of 8 review helpful A Good Approach By Geoffrey F Arnold I learned using the Schaum method as part of my education on piano so I m a little jaded in favour of their approach This is for adults and older adolescents who might wince at the use of the normal books which assume children are the target audience Fewer pictures and more down to

business methods are used so making this a decent starting place Book 1 of the JOHN W SCHAUM ADULT PIANO COURSE includes some fundamentals for the beginning player and some performance pieces with which to apply them Also included is a musical dictionary
