depend on which recording you re playing to I found a couple off notes but it s also difficult to keep an 8 00 song to a couple pages so I think they make some exceptions and get the general groove note choice I like it so far Plenty of songs to choose from 4 of 4 review helpful From the legendary progressive rock band Rush this collection covers their 30 year career Commencing in the mid 70s and concluding with chart success Snakes and Arrows this 22 song collection is a tribute to prog rock master bassist Geddy Lee All of Geddy Lee s amazing bass parts fully transcribed in TAB Titles The Big Money Closer to the Heart Distant Early Warning Dreamline Far Cry Fly by Night
