By Buzz Poole : Grateful Dead's Workingman's Dead (33 1/3) the three disc set includes more than 180 minutes of music capturing the grateful dead playing in their bay area backyard at the peak of the groups live prowess grateful dead discography the grateful dead formed in 1965 and disbanded after the death of jerry garcia in 1995 during that period the band released more than 30 Grateful Dead's Workingman's Dead (33 1/3):

1 of 1 review helpful An Essential Book on an Essential Album By Nathan D Backlund Finally the 33 1 3 series looks at a Dead album I had not heard of Buzz Poole before this book but I was very impressed with his writing It is very difficult for outsiders to find new and interesting things to say about the Dead at this point Many readers will

inevitably know much of the information contained already However Poole e Released in 1970 Workingman s Dead was the breakthrough album for the Grateful Dead a cold water shock departure from the Acid Test madness of the late 60s It was the band s most commercially and critically successful release to date More importantly these songs established the blueprint for how the Dead would maintain and build upon a community held together by the core motivation of rejecting the status quo ndash the straight life rdquo ndash in orde In 1969 the Grateful Dead executed an extraordinary pivot While playing brilliant deeply improvisational psychedelic music they simultaneously began to create a series of traditionally styled new American folk songs that would be collected in Workingman
