1 of 1 review helpful A Country Music Treasure By Bennett Cohen I bought this book and I love this book Although ostensibly about hair it is actually about the glories of and the love of country music with all its history and in all its variations Hopefully there will be more such books from Erin Duvall about clothes about style and about the music itself If as Waylon Jennings sang and though few might Country music rsquo s greatest mullets bobs beehives and bouffants collected together in one entertaining volume illustrated with dozens of color and black and white photographs The higher the hair the closer to god From mullets to mustaches and teased hair to bobs country singers

each have their own distinct looks which enhance their performance and image Some wear hats and others wear wigs Some follow the trends and others set them Some have ldquo this collection is a fabuously illustrated sociocultural commentary on how the Nashville sound is reflected through its hair rdquo Elle ldquo The men and women of country music have rocked some interesting hair over the years and we
