By Michael Bradley : Teenage Kicks: My Life as an Undertone the undertones are a punk rocknew wave band formed in derry northern ireland in 1974 from 1975 to 1983 the undertones consisted television appearances top of the pops all are mimed performances 26th october 1978 teenage kicks mimed but to a re recorded version 3rd may 1979 Teenage Kicks: My Life as an Undertone:

1 of 1 review helpful and must say this is one of the best books I have read By Guillotine Zine As the author publisher of Guillotine Magazine I can testify to reviewing more than my share of books records etc and must say this is one of the best books I have read It is witty entertaining and informative One of the things I particularly liked about Michael Bradley s book was that he had no reservations with tell Michael Bradley joined his school friend s group in Derry Northern Ireland in the summer of 1974 They had two guitars and no singer Four years later the Undertones recorded Teenage Kicks John Peel s favourite record and became one of the most fondly remembered UK bands of the post punk era Sticking to their punk rock principles they signed terrible deals made great records and had a wonderful time They broke up in 1983 when they realised there was no pot of go About the Author Michael Mickey Bradley continues to play bass with the Undertones who reformed in 1999 He is also a radio producer with BBC Radio Foyle
