the Temple:

7 of 7 review helpful Overall a good quick read By T C I bought the book to read when the power goes out which it does periodically and read it on Kindle before it arrived It s a quick read with about 20 of the book dedicated to the index Most of the info I ve read online but some info like his relationship with Mayte and how it came about had a little more information Overall it s a good book to have but sti Prince Rogers Nelson released his first album in 1978 In the years that followed until his death in April 2016 he became a superstar a recluse an inspiration an enigma a slave and a symbol He was a master of reinvention but the one constant in his astonishing career was his genius as a singer a songwriter a performer and a musician He sold more than 100 million albums won seven Grammys a Golden Globe and an Oscar His ability to fuse styles and genres made Sends you back to the music with fresh ears Guardian Offers up a fascinating album by album analysis of how Prince s revolutionary melding of white rock and black funk and soul has had a profound impact on modern music Metro
