0 of 0 review helpful Pretty good read By wesley e wills The early years were very interesting All of the band member changes get a little monotonous Reading about Ozzy through the years was also interesting Hope someday he gets to work with Paul McCartney 0 of 0 review helpful Long Live Black Sabbath By Starfighter2012 I thought this book was excellent I bought They are the band that created metal music and they have defined it for more than four decades Black Sabbath s career spans eleven different line ups and nineteen studio albums in addition to the twenty eight solo albums of the original four members The band began in 1968 as a blues rock band on the cover circuit of Birmingham England Clawing their way up from the postwar bombed out suburbs of Birmingham the four members guitarist and main songwri It s a beautiful book nbsp mdash plenty of excellent and never before seen pics Nothing quite says

Christmas like Black Sabbath so this book should be a welcome present under the tree for that metal fan in the family TheDay com
