5 of 5 review helpful I was glad to see a tenor guitar instruction book at last By Johnny Bass I was glad to see a tenor guitar instruction book at last This is actually written for guitar It is not a thinly disguised tenor banjo book that says guitar on it I was also pleased that it has lessons in multiple keys and prepares the student to do more than play a few songs in a couple of keys In my thinking this is a qual Guitar Method The perfect introduction for anyone just

discovering the tenor guitar This easy to use book with online audio pack also functions as a crossover method for folks who already play guitar mandolin or tenor banjo Many useful exercises fun songs and popular arrangements await Topics covered include tuning scales arpeggios sequences position shifting chord strumming single note picking fingerpicking hammer ons pull offs slides and more
